Breadth – 50 cubits (75 ft.)
Height – 30 cubits (45 ft.)
3. Make a roof for the ark – 16
Finish it a cubit above (ab.18 inches)
4. Set the door of the ark on its side – 16
Providing access for humans & animals
5. Make it with three decks – 16
“Lower, second and third decks”
6. How long did it take to build the ark?
Sons born after Noah was 500 – 5:32
Entered the ark when Noah was 600 – 7:6-7
God's patience with man extended – 1 Pet. 3:20
²⁰“because they formerly did not obey,
when God's patience waited in the days of Noah,
while the ark was being prepared,”

IV. The Ark, a Refuge – 17-22

1. God will bring a flood – 17
A refuge will be needed – flood is world-wide
Water will cover the earth – everything will die
2. The Ark will be a safe refuge – 18-20
“I will establish my covenant with you”
You and your family will be safe in the ark
You shall bring 1 pair of every animal
Birds of their kind, animals of their kind & creeping things
Two of every kind ” keep them alive”
3. Take every kind of food you will need – 21
Needed enough food to last a year
Enough stored food for man and animals
4. Noah believed God & obeyed – 22
“He did all that God commanded him.”
