

CHILDREN'S MINISTRY

Our Health & Safety Policies

Our Teachers & Helpers

As a team, we work hard to bring the Word of God to life for your kids! These are formative years in your child's life and are so important for laying the foundation for biblical living. Your child will have a wonderful time and be completely safe with our dedicated staff of teachers & helpers. The children thoroughly enjoy their time spent in classes as our teachers masterfully bring the Bible to life through stories, songs & activities. This is such a tangible way for children to experience the love of God!

Health

To ensure the health of our other children and volunteers, we have established the following policies:

1. No children who have any of the following symptoms within the past 48 hours should be brought to our children's programming: fever, diarrhea, and vomiting.
2. No child with an excessive cough, runny nose or contagious virus or infection should be brought to our children's programming.
3. Parents must administer medication to their own children.
4. Parents need to make check-in and classroom volunteers aware of any allergies or medical conditions.

Safety

The safety of our children is a top priority. In order to keep our children safe, we have implemented the following:

1. Our computer based check-in system which allows us to have real-time attendance, track allergies or other medical needs, and emergency contact information. Additionally, children ages 0-Kindergarten must be checked-out of their class with the the pick-up ticket that corresponds to their name tag. For your convenience, we have three check-in stations throughout the church.
2. Our children's ministry volunteers and staff are background checked.
3. Our church security team is monitoring the building during Sunday morning service.
